## March 2<sup>nd</sup>:

## Seth Tepfer with Feet First

This is shaping up to be a marvelous month of March Madness! On the first Saturday we'll dance to the music of **Katrina & Chuck Weber** and **Tom Green**, known collectively as **Feet First**. Atlanta's inordinately energetic **Seth Tepfer** will call/teach/mentor us in a vast variety of choreographic splendor.

**Pre-dance Potluck Supper!** Bring a dish to share with your fellow dancers at 5:45. Yumm!

## March 16<sup>th</sup>:

## Jane Ewing with Ed & Elsie

Then, just a short two weeks later, our own **Jane Ewing** will bring her celebrated collection of color-coded cards, from which she'll select several dances to call for us. Hopefully rested up from their gig here last month, **Ed Baggott and Elsie Peterson** will unleash their lyric lexicon of fiddle tunes to tickle our tootsies.

## March 30<sup>th</sup>:

## Open Mike calling with Blue Moon Band

Pope Gregory decreed that there be a fifth Saturday in March of this year, and we dutifully deigned to dance thereon. **You** can call a dance or three, and **you** can sit in with the band, but **you** really need to come dance. Callers coordinate and/or confer with Harry Delugach prior to the dance that night.

The fine print: NACDS dances the 1st, 3rd, & 5th Saturdays of the month in the gym at Faith Presbyterian Church on Whitesburg at Airport Rd. in Huntsville. Come to the refresher workshop at 7PM, then dance until 10:30 for \$6 (\$5 for members, \$3 for teens.) Don't forget to bring comfortable shoes to dance in and please wear a name tag. Bring someone new to a dance this month!

## WWWeb Contradance Resources

If you want to find dance weekends in the southeast, a good place to start is GypsyJordan's page:

<http://home.speedfactory.net/mchprop/contra.html>

Here is a cute new URL for the Chattanooga group:

<http://www.contranooga.org/>

If you would like to see some dances written down, (perhaps to call on March 30<sup>th</sup>?) start here:

<http://node-03.advancenet.net/~mfuerst/dances.html>

Michael Fuerst's dances are classified by difficulty, and he includes definitions of dance moves & terms, plus offers tips on teaching, end effects, etc.

A great source for easy contras is the *American Country Dances On Line* page, which is searchable by name, author, type, formation, difficulty and desired moves!

<http://arcservice.astro.washington.edu/dances/>

They have hundreds of dances: squares, circles, contras, double contras; in various formations: proper, improper, becket, triple-minor, etc. Each dance is presented on a page you can print out and call from, and most include tips on teaching the tricky parts, etc. A great site!

## Blue Moon V

Here is the skinny on our fifth dance weekend: We'll have dances Friday night, Saturday morning, afternoon & evening, plus Sunday morning 'till early afternoon. There'll be a Waltz Workshop and a Slow Jam also.

In the meantime, check out the web pages of the ACRR:

and that of High Falutin' -

Ask not what your dance community can do for you, rather offer your time & talents to your dance group. Volunteer to host an out-of-town dancer, to help with decorations, or work a short shift at the welcome table.

You may join us or renew your membership (check date on mailing label) at any of our dances, or by sending \$8, payable to me at the address below. You will receive this monthly newsletter & 2 free guest passes, plus you and all your kin will pay \$1 less to get into each of our regular dances.
